

**Food Packaging Seminar
Friday, May 16, 2014
The Ohio State University**

MOCON Inc., The Ohio State University's Department of Food Science and Technology, and the Central Ohio Chapter of the Institute of Packaging Professionals are proud to announce a joint seminar on food packaging.

Please join us on Friday, May 16, 2014 from 7:30am - 1:30pm at the Parker Food Science and Technology building on The Ohio State University campus, 2015 Fyffe Road, Columbus, OH 43210

Featured Topics and Speakers

"Packaging: The Critical Driver in Today's Fast-paced Marketplace" - Ron Puvak, Director of Global Marketing, Plastic Technologies, Inc.

"The Influence of Packaging on the Shelf Life of Fresh and Processed Foods" - Melvin Pascall, Ph.D., Associate Professor, Food Science and Technology Department, The Ohio State University

"Package Testing" - Alan Shema, Product Manager, Consulting and Testing Services, MOCON Inc.

"Product Quality and the Characterization of Aromas, Odors and Flavors" - Roger Bleiler, Ph.D., Senior Scientist, MOCON Inc.

"Chocolate Science" - Mary Kay Pohlschneider, Ph.D., Lecturer, College of Food, Agriculture and Environmental Science, Department of Food Science and Technology, The Ohio State University

This seminar will include a tour of The Ohio State University's Food Science Department testing facility, as well as their Brewster Dairy Pilot Plant and the Wilbur A Gould Fruit and Vegetable Processing Plant.

A continental breakfast, refreshments, and lunch will be provided, compliments of MOCON, Inc., and Plastic Technologies, Inc.

We have limited seating, and this event is being advertised on a regional basis to IoPP chapters, so sign up as soon as possible. **Cost for the seminar is \$40 for IoPP members, and \$50 for non-members, which includes a parking pass for the day.** Reserve your spot for this seminar with your PayPal account at the Central Ohio Chapter website - www.iopp.org/centralohio
