COMPANY INFO: Pacific Southwest Container, LLC (PSC) has grown from a small family-owned business to one of the West Coast's largest packaging companies since the founding in 1973. With over 1,000,000 square feet between our Modesto, Visalia, and Stockton, California facilities, PSC offers comprehensive services all in-house - from planning and design, to manufacturing and delivery. This turnkey approach enables PSC to provide the most creative and cost-effective solutions to meet customer's packaging needs. You can find more information @ www.teampsc.com
