

Meadowlands IoPP Chapter Partners with EastPack for the June 12-14 show at Jacob Javits Convention Center in New York City

**You are invited to EastPack
Visit Us at Booth 2479**

Dear IoPP Meadowlands and New Jersey Chapter Members,

[EastPack](#) showcases the latest packaging innovations and trends. From innovative materials to machinery, you'll find the solutions you need to make your products stand out in a crowded marketplace. In addition to EastPack, this renowned New York event, gives you access to five additional trade shows — Medical Design & Manufacturing (MD&M) East, Atlantic Design & Manufacturing, Automation Technology (ATX) East, PLASTECH East, and Quality Expo — under one roof at the Jacob K. Javits Convention Center; June 12-14, 2018.

[Learn more](#) about everything the expo offers, including:

- **Top-notch suppliers** offering everything for every stage of the packaging process
- **Free industry education** to keep you abreast of innovations in the packaging industry
- **Networking opportunities** find new connections to move projects forward

[Register today](#) and join more than 8,000 innovative engineers, C-suite executives, and thought leaders from across the advanced design and manufacturing industry at this can't-miss industry event!

Interested in exhibiting? As an event partner, IoPP Meadowlands has secured an exclusive 10% discount on booth space. Become an exhibitor now to:

- **Showcase your products** and services, and fill your sales pipeline
- **Meet 8,000+ buyers** with real purchase intent
- **Elevate and maintain brand awareness** and your position in the industry
- **Create new business opportunities** with new customers, deepen relationships with current clients, and reconnect with past customers
- **Connect with a large crossover audience** of engineers and executives from New York's leading manufacturing industries

Take advantage of this valuable exhibitor discount by calling **877-275-2902**, or [click here](#) for more information about exhibiting.

I look forward to seeing you at the show.

Sincerely,
Harry Bennett
