We want each member company to participate in the MN IoPP Company Showcase.

Reserve your exhibitor table early!!

This is an opportunity for you to highlight your company and network with other IoPP members.

This one hour event will generally have an informal format to give everyone an opportunity to mingle, meet and network with other IoPP members to learn more about each company.

Exhibitors may choose to put up a poster board, a table banner, self-standing banner, company brochures, business cards and possibly samples as appropriate.

Reserve your exhibitor table now and for details contact Frank
