

Label Technology and Its Applications to Injection Molding

presented by

Jon Halso, Steve Murphy and Tom Franz

of

TECHNIMARK

Tuesday evening, November 11, 2014

6:30 p.m.

At

Davenport Press

70 Main St.

Mineola, Long Island, NY 11501

Ph: 516-248-8300

The speakers will discuss the types of labels that are available, how they are made and how they can be applied. They will also discuss specific applications that Technimark employs.

Protocol: Dinner begins promptly at 6:30 p.m. and the presentation will commence at 7:30 p.m. Fee for member and nonmember attendees is \$40.00. To make reservations, please call Gordon Ellis at 212-284-2695 or email gellis@estee.com.

DIRECTIONS TO DAVENPORT PRESS IN MINNEOLA, LONG ISLAND

Auto: Take the LIE to Exit 39 to Glen Cove Rd/ Guinea Woods Road exit. Head south to Old Country Road. Turn right and go down to Main Street (about 1 1/2 mi.) and turn right. Davenport is on the right two blocks down and right next to the LIRR tracks. Packing lot is next door.

Train: LIRR to Mineola Station. If coming from the city walk towards the front of the train towards the signal tower, Davenport's is directly behind it on Main Street. If coming from the east, walk towards the rear of the train, again towards the signal tower. Davenports is across the tracks.

Directions from Port Jefferson Ferry: After disembarking from the ferry, follow the signs for Main Street, Going south Main Street (about 1/2 - 3/4 mi.) turns into Route 112, just around the LIRR tracks. Stay south on 112 until you hit the LI Expressway (I 495). Go west on LIE until you see Exit 39 (Glen Cove Rd. - Guinea Woods Road). Follow directions listed above.

Directions from NYC: LIRR from Penn Station to Mineola, (about 35 minutes trip). Upon exiting train at Mineola, walk east to end of platform/ ramp. Davenport Press is across the street.
