New Jersey National Golf Club

579 Allen Rd, Basking Ridge, NJ 07920

www.newjerseynational.com (908) 781-9400

The Annual 2010 Scholarship Golf Outing will be held in September at New Jersey National Golf Club.

The Scholarship Golf Outing has provided a terrific opportunity for team building, networking, and fund-raising. The IoPP Golf Outing is designed to raise money to help students pursue packaging careers, as well as providing a challenging experience for players.

The Institute of Packaging Professionals is dedicated to creating networking and educational opportunities that help packaging professionals succeed.

We are persistent to the proposition that packaging is a positive, environmentally responsible and economically efficient force, operating in a modern economic society for the benefit and improved well being of its people.

Something for everyone - no one leaves empty handed! You won't want to miss this spectacular event!!!
