

IoPP Wine, Spirits and Beer TASK GROUP Meeting

Held at Pack Expo, Chicago, November 1 2010 @ 3:00 pm

Agenda of Meeting

- Welcome; introductions
- Review Task Group vs. Technical Committee
- Review Activities to Date
- Ideas for next meeting
- Ideas for future Educational/Networking Opportunities
- Future Tasks

Ideas for Next Meeting

- We will schedule a conference call/online meeting to be held by mid-December to allow anyone not at Pack Expo the chance to attend
- Unified Wine Symposium, January 2010?
- Plan is to have quarterly conference calls

Ideas for Future Educational/Networking Opportunities

- Alternative Wine Packaging
- Recycling/Sustainability
- Discrepancies on shipping needs/requirements within the chain – can we work to establish guidelines? (Keith Baechle, ACH)
- Issues with Canadian Guidelines related to acceptable packaging (Larry Brill, Longview Fibre) & New light weighting affects issues with cross-border shipping, can we create unified packaging for shipping? How does the LCBO view this? (Ryan Harrison, Vincor Canada)
- Door to Door Journey of a Bottle of Wine – done in February 2010, offer this Webinar again?
- Filling Technology (Andy Malcolm)
 - Could have Kronos or other company involved in a Webinar
- Sustainability and packaging standards – the GPP will be releasing metrics by the end of the year, can present these standards to the group. (Susan Matuszewski, Graham Packaging)
- PET Bottles and Guidelines?
