

Transport Packaging Committee

IoPP Transport Packaging Committee Meeting

Held at Pack Expo, Chicago, November 1 2010 @ 9:00am

Agenda of Meeting

- Welcome; introductions
- Identify/Engage Members roundtable discussion
- Roundtable on Committee topics to cover

Identify/Engage Members

- Schedule conference call after Pack Expo to allow members not attending Pack Expo the chance to participate.
 - Sarah Tomasetti and Patrick McDavid to schedule
- Email LinkedIn group link to all members
 - Will be done by Sarah Tomasetti
- Work on breaking down demographics of members
 - Patrick McDavid to review

Webinar and Meeting Topic Ideas

- Regulations related to import protocol; specifically shipping regulations for Lithium Batteries
 - Dave Cooper of Energizer
- New legislation in Brazil related to traceability on pharmaceutical and medical devices; will require label on shipments into Brazil. These seals will be provided by the Brazilian Mint and applied to all secondary packaging.
 - This topic can be covered in conjunction with the Medical Device Committee – Cross Committee Webinar?
 - Peter Schmitt knows of a presentation by GSI on this topic
 - Patrick McDavid will reach out to the Medical Device Committee
