

## **Central Indiana Chapter IoPP 4th Quarter Newsletter**

Hello all from CIC IoPP

We are very happy to announce a tour at Capital Adhesives in Mooresville, Indiana on Monday, June 10, 2013 starting at 5:30 P.M. Dinner to follow afterward. We wish to thank Caesar Watkins and Kerry Crossland for their efforts to set up this informative tour. Capital is a leading manufacturer of adhesives for the packaging, bookbinding, printing, perfect binding, product assembly, labeling, laminating, mailing services, office products, rigid box and packaging industries. Please plan now to see one of the top packaging adhesive companies in the nation.

The board has been working on other future events. Our annual golf outing will be Friday September 13, 2013. Caesar Watkins has a good time planned for all even if it is on Friday the 13<sup>th</sup>. The golf outing raises money for scholarships for the students of the packaging program at Indiana State.

Then in October, we will be visiting Indiana State's Packaging Technology program to meet the students and tour the department.

We still have some openings for officers and chairs in the Central Indiana Chapter. If interested, call me directly or email. We have fun and would like for more packaging professionals to join us.

We would like to express our deepest sympathies to Caesar Watkins on the recent passing of his sister. Caesar is one of the pillars of our chapter and our thoughts were with him during this difficult time.

We look forward to see many of you at Capital Adhesives on June 10, 2013.

Best regards,

Wayne E. Funk, CPP
