Hello all from CIC IoPP!!!

What a great GOLF OUTING. \$\$\$\$ raised for ISU students. Read all about it below.

Next up is a tour and a meet and greet if the Indiana State students and a tour of the Packaging Technology Department.. Meeting starts on the ISU Campus is at 6:00 P.M. on October 9, 2013.. The ISU program is a beneficiary of the Central Indiana Chapter's scholarship efforts from funds raised at the golf outing. We plan to car pool to make it more convenient for you to attend.

We are also lining up tours and informative sessions for 2014 starting in January. Watch this newsletter for dates and times.

We are continuing to pick up steam with new faces coming forward to get involved and more events for our members to learn, discover and network the old fashioned way, face-to-face.

More later.

See you at Indiana State!!

2 INDIANA STATE UNIVERSITY

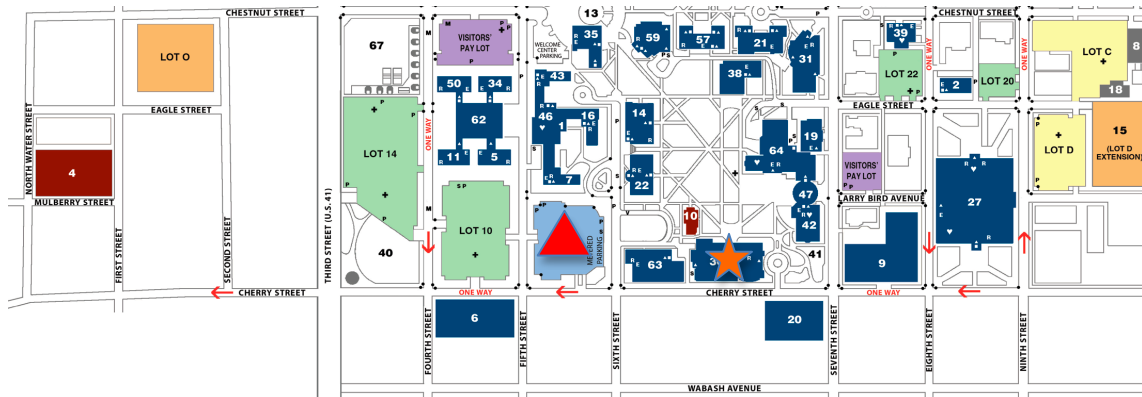

A tour and a meet and greet of the students of the Indiana State University Packaging Engineering Technology Program is October 9, 2013 starting at 6:00P.M. We will be meeting at Indiana State University in the John T. Myers Technology Center. The meeting will take place in the Packaging Lab, Room 113.

An agenda for the evening will as follows:

- Central Indiana IoPP Chapter will be welcomed ad anti-trust statement read.
- Introduction of students
- View a brief PowerPoint about Indiana State University Packaging Lab and related projects
- A tour of the packaging lab and machine shop
- Close the meeting with any questions or further concerns

We will be having dinner afterwards at a local restaurant to be determined that evening. Options include: The Saratoga Restaurant, 7th and Elm Bar and Grill, or Ruby Tuesdays.

The orange star indicates the John T. Myers Technology Center, which is where the meeting will take place. Parking can be found along Cherry Street or in the Parking lot west of the building, indicated by the red triangle. Please keep in mind that Cherry Street is a one-way heading west.

John T. Myers Technology Center
650 Cherry Street
Terre Haute, Indiana 47809

This is a short drive from Indy but well worth it to see where our future packaging professionals learn their skills.
