Office Layout and Rooms: (see below) the main meeting room will be the board room. We have full internet and (2) side by side 70 inch screens for presentations. Room is also wired for conference and video chat if needed.

Breakout rooms: we have reserved Wilson, Willow and Westcott. If needed we can grab a larger conference room if you need more space. The courtyard also has 20 tables where people can sit. We don't have 30 visitor badges so we will give a few out to team leads and our staff will be around as needed to provide access.
