 - Fundamentals of Medical Device Packaging
 - MDTPC Honor Award
 - University Outreach
 - HealthPack Student Scholarship
 - Tech Talks
4. Working Session
5. Open Discussion
6. Questions / Conclusion

Antitrust Policy Statement

IoPP recognizes that the antitrust laws are designed to preserve free and open competition in the marketplace. IoPP is committed to compliance with all requirements of the antitrust laws. IoPP will not play any role in the competitive decisions of its members or in any way restrict competition in member related industries. It shall be the special responsibility of committee chairpersons, Institute officers, and officers of chapters to insure that this policy is known and adhered to in the course of activities pursued under their leadership. It shall be the responsibility of every member of IoPP to be guided by the Institute's policy of strict compliance with the antitrust laws in all IoPP activities.

Each member is responsible for knowing that the antitrust laws forbid certain arrangements among competitors, including but not limited to,

- Discussion of price, price-making practices or policies.
- Allocation of customers and markets.
- Group boycotts and concerted refusals to deal.

Vice Chairperson:	Jennifer Benolken, CPP, DuPont
Membership:	Dannette Casper, Edwards Life Sciences
Secretary:	Jeff Schwartz, Boston Scientific
Program Chair:	Karen Greene, CPP, Network Partners
Event Chair:	Seema Momin, Network Partners
Treasurer:	Jennifer Griffin, Medtronic
Ombudsman:	David W. DiVaccaro, DiVaccaro Consulting Group
Webmaster:	Rob Sekelsky, Becton Dickinson

Program Updates

- Fundamentals of Medical Device Packaging
- MDTPC Honor Award
- University Outreach
- HealthPack Student Scholarship
- Tech Talks

Program Updates

Fundamentals of Medical Device Packaging

Overview: An immersive hands-on classroom experience intended for inexperienced or new industry professionals, covering the basics of packaging regulations/standards, materials, equipment, sterilization, design, qualification and troubleshooting. This program is intended to be a collaboration of industry professionals, suppliers and equipment manufacturers. The team is responsible for developing content and activities.

Exec Board Sponsor: Jennifer Benolken, Danette Casper

Program Leader: Amy Stewart

Progress:

- 11 sessions in-development for 4/1 Go/No-Go (then 6/28 Content Completion; and Logistics and Marketing Committees to kick-off activities)

Target End Date: Course held at Pack Expo (November 2020, Chicago)

Program Updates

MDPTC Honor Award

Overview: A new annual award, to recognize industry leaders in medical device packaging. The team is responsible for nomination criteria, nominations, and awarding recipient(s).

Award Criteria: Submissions regarding lifetime commitment to medical device packaging, industry contributions and advancement, and alignment with IoPP-MDPTC vision/mission

Exec Board Sponsor: David DiVaccaro

Program Leader: David DiVaccaro

Progress:

- Team formed, met, and worked on nomination criteria
- Survey Monkey to ease nomination process
- Nominee(s) reviewed

Target End Date: Annual

The winner will be announced tomorrow during the HealthPack General Session!

Program Updates

University Outreach

Overview: A high-level one hour presentation for students at Universities enrolled in Packaging Programs, in a packaging introduction class, to spur interest in the Medical Device Packaging Field. The team is responsible for developing content and coordinating speakers.

Exec Board Sponsor: Jeff Schwartz, Dannette Casper

Program Leader: Mark Leuenberger

Progress:

- The team formed with 12 members ranging from technical professionals, suppliers, and academia.
- Project charter and content outline was determined
- Content and speaker notes are drafted and being refined

Target End Date: Presentation content ready for Pilot runs in April, then scheduling full roll presentations for Fall Semester

Program Updates

Healthpack Student Scholarship

Overview: An established annual award, to provide Healthpack travel and attendance for a university student, enrolled in a packaging program.

Exec Board Sponsor: Seema Momin

Program Leader: Marco Ortiz-Shields

Award Criteria: Essays from students enrolled in University Packaging Program regarding: IoPP Membership, participation in activities related to medical device packaging, desire for a career in medical device packaging, and interest in HealthPack

Progress:

- Scholarship submission materials were sent to ten (10) Universities.
- There were many great applications received.
- Fundraising goal achieved for sending one Student to HealthPack.

Target End Date: Annual Program

2020 HealthPack Scholarship Winner

Program Updates

Tech Talks

Overview– A 30-60 minute informal “coffee shop” open discussion, centered on a topic relevant to our industry. The team is responsible for hosting, soliciting hosts, and discussion topics.

Executive Board Sponsor: Jennifer Benolken

Program Leader: Marco Ortiz-Shields

Progress:

- We are still looking for people that want to lead the Tech Talks!
- Working Session Planned.

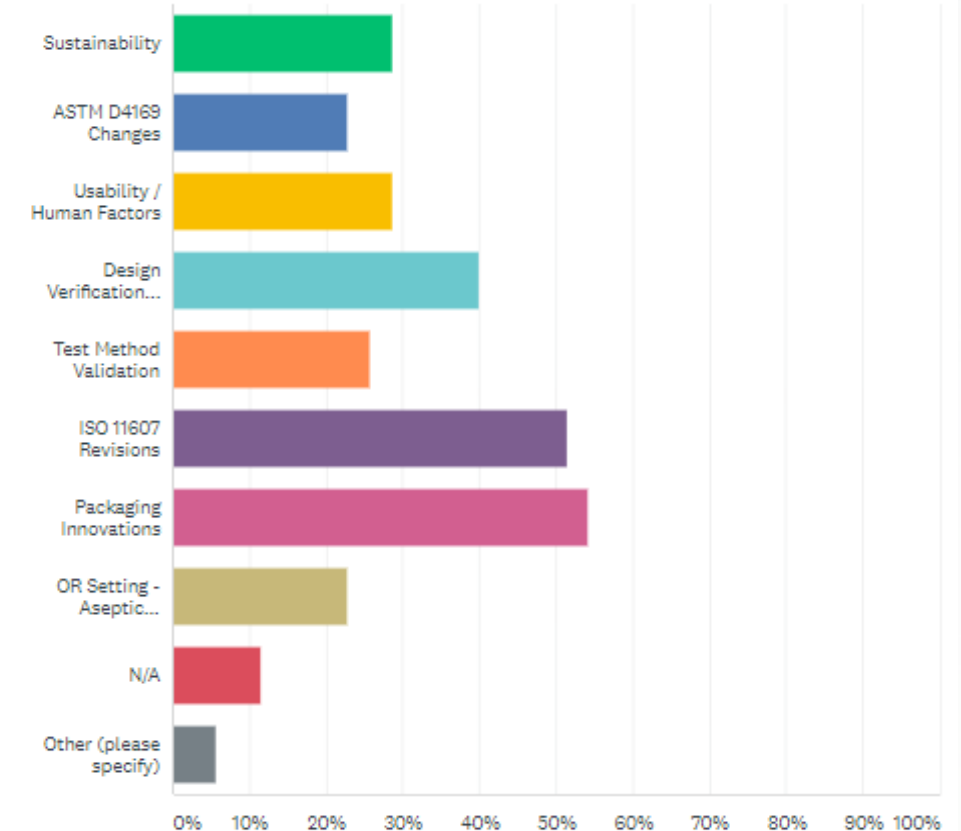

Target End Date: Continuous, Four (4) or more per year.

Tech Talks Working Session

Goals:

1. Identify Topics. The Top Topics from IoPP-MDPTC 2019 Survey were:
 - A. Packaging Innovations
 - B. ISO 11607 Revisions
 - C. Design Verification Basics
 - D. Sustainability and Usability (tie)
 - E. Test Method Validation
2. Work with chosen topics to build a potential outline / guidance
3. Identify Potential Presenters

Answered: 35 Skipped: 0

Open Discussion

The MDPTC saw great progress with its Organization and Programs in 2019. Going forward, what would the members / prospective members like to see?

- What are we doing well?
- What can we do better?
- Where should we focus resources?
- What are the effective methods of communication?
- Other?

Conclusion

- Questions?
- If you haven't signed up for IoPP, visit www.iopp.org
