### **2. The Wine, Spirits and Beer Task Force has been promoted to a Technical Committee!**

- a. More info once I receive it from the IoPP

### **3. Webinar presented by DAN HUGHES of Top It Off Mobile Bottling**

- a. “Printing Technologies for Wine Labels”
- b. Will be posted to our page on the IoPP Website – [www.iopp.org/wsb](http://www.iopp.org/wsb)
- c. Unfortunately about 6-7 people were unable to log on to the Screen Sharing for the webinar. We’ll work to have Dan do a repeat performance!
- d. Questions for Dan after the Webinar we’re looking for the WSB group to address this:
  - **Dayna Lee – When will electronic beam be used in place of UV curing?** Please email [SarahT@GrosRecruiters.com](mailto:SarahT@GrosRecruiters.com) with your insights on this question!

### **4. Conclusion of Meeting**

- a. **Next Meeting – 10/7/11, 10:00am PST**
